

SCONE HIGH SCHOOL

NEWSLETTER 9

18TH DECEMBER 2019

PRINCIPAL'S REPORT

As we finalise the 2019 school year, our students continue to impress. This week we have visited Strathearn Village at various locations to deliver well received Christmas presents and to sing carols. This has become a major feature of our community, where we use our character strengths of Kindness and Gratitude to ensure that our neighbours are thought of during this time of year. I am extremely grateful to Ms Davis and her excited band of Student Representative Council for ensuring that this has been another successful venture.

I am currently using my character strength of Hope during the end of year planning, working with all teachers and students to make 2020 the best year ever at Scone High School.

Mr Johnston has been seeking genuine student voice around our acknowledgement of student achievement, our behaviour approaches and the general functioning of the school. This data will be used for our future planning to improve our student outcomes across the school.

When teachers win, all is great. It was fantastic to see the big grand final of the touch football competition this week and also the staff vs. students game. While the score was 3:3, the rules, as played, meant that because the staff scored first, they won the game. The moral to this story is don't waste time getting started. Maybe we could all take something away from this and work in this manner in our learning also.

The end of the year always has some sadness, as teachers move to other places, we are farewelling;

Mrs Eveleigh, who is starting a new adventure at St Joseph's High School, Aberdeen.

Ms Davis, who is really looking forward to working much closer to home, starting at Kurri Kurri High School in 2020.

Mrs Smith has completed her training as a School Counsellor and has been appointed to Muswellbrook South Public School starting in 2020.

Mrs Thompson is moving closer to home and starting a new adventure at St Joseph's High School, Aberdeen.

Mrs Paine has been successful in gaining the Head Teacher position at Camden Haven High School in Laurieton.

Mr Lee has enjoyed his Upper Hunter experience/tree change and is relocating back to Sydney, we wish him well on his new adventure.

While we are very sad that these highly experienced and valued members of our community are leaving us, we are also excited that our teachers continue to seek new challenges. We wish them all the very best of futures and I am sure we will be in touch soon.

You will find in this newsletter the organisation for the first few weeks of 2020. Please keep this in a visible place at home.

We are excited to now be able to offer school uniform sales at school. School badged uniform will only be available at the school and we have ensured that our pricing is highly accessible. I have included some photos of the various combinations of uniform options. Please plan up for your purchases of new uniform, as they wear out of course.

Throughout 2020 we will be collecting data on uniform wearing and we will be asking for your assistance in this, if your child is out of uniform. Uniform is to be worn at all times and to assist in this, students have many options to suit their needs.

Finally, thank you to every parent and family member who has supported our wonderful students throughout 2019. Student learning is accelerated when the adults around learners are helpful, supportive, critical, and most of all, interested.

We all wish you all the safest Christmas break and may our students all refresh and recover in preparation for the best year ever in 2020.

Brian Drewe
Principal

CAPERS 2019

CAPERS is a high quality performance experience in Tamworth involving over 3,000 students from New England public schools. It is run by teachers on a voluntary basis, to provide every student in every school the opportunity to participate in the creative and performing arts.

This year 14 Scone High School students participated in CAPERS. These students spent many hours learning and practising choreography to be ready for their big moment on stage. Their dance item told the story of the many vibrant festivals from around the world.

Tegan, Jesse, Xena and Bridgette represented the spectacular exuberance of the Rio De Janeiro carnival. Isobel, Sharni, Carolyn and Caitlin were splendid in the sequinned fun of the New Orleans Mardi Gras and Isabelle, Ella, Sophie, Tahlia, Natasha and Shayla were an explosion of colour in the Hindu Holi festival.

Every dancer should be proud of the exemplary way that they represented Scone High School across the three days in Tamworth. Over the three days they performed in a matinee on the Friday and an evening performance on both Friday and Saturday night. They all returned to Scone early Sunday morning happily exhausted.

I would like to thank Mr and Mrs Bogaard for transporting students to and from Tamworth for rehearsals. I would also like to thank the school for subsidising the coach costs to and from Tamworth for the performance weekend, this really helped to keep the excursion cost down.

Thank you to Miss Samantha Schumacher for giving up your weekend to accompany us to Tamworth.

A very big thank you to Isobel Hughes whose amazing dance skills were responsible for ensuring that all dancers learnt the choreography.

Finally I would like to thank the dancers for the time and effort they put into fundraising, rehearsals and performances. What an outstanding group of girls!

Education

Dear CAPERS 2019 Student Performers and Parents/Carers

On behalf of the CAPERS Management Committee I thank you so much for all the effort you put in to making this year's CAPERS so successful and memorable. I had the privilege of being in the audience for the Friday matinee and Friday evening performances. It was obvious to me that you had put in so much work to get your performance to the high standard that was on display at TRECC.

To the parents and carers who helped in many ways to support the students – I sincerely thank you. The great outcomes that are achieved with a strong partnership between home and school was once again on display for all to see.

Have a great rest of 2019 and don't stop performing.

Yours sincerely

SCHOOL UNIFORM

Scone High School considers the wearing of a full school uniform a major factor in promoting and maintaining school tone. The community of Scone High School encourages the wearing of school uniform for the following reasons;

- It unites the student body;
- Demonstrates pride in the school and
- Discourages discrimination on social grounds

All uniforms are sold at the school office.

If the uniform cannot be worn on any particular day, a note should be supplied to the Roll Teacher on that day. The school will work with our students and their families to ensure our uniform standards are met. This may include contact with home.

Students are encouraged to wear predominantly blue hats/caps for sun protection. Caps are not to be worn in buildings and should be removed and placed in school bags before classes.

The uniform for Scone High School is as follows:

Boys – Years 7 – 10	Girls - Years 7 – 10
<ul style="list-style-type: none"> • Grey shorts or long trousers • Blue button through collared shirt • White or grey socks • Black leather shoes (riding boots are acceptable given our rural location) • Navy blue jumper/polar fleece or school tracksuit top. 	<ul style="list-style-type: none"> • Checked skirt, navy pants or tailored shorts • Blue button through collared shirt or blouse • Navy blue jumper /polar fleece or school tracksuit jacket • White socks or navy stockings • Black shoes
Boys – Years 11 & 12	Girls - Years 11 & 12
<ul style="list-style-type: none"> • Grey shorts or long trousers • White button through collared shirt • White or grey socks • Black leather shoes (riding boots are acceptable given our rural location) • Navy blue jumper/polar fleece or school tracksuit top 	<ul style="list-style-type: none"> • Checked skirt, navy pants or tailored shorts • White button through collared shirt or blouse • Navy blue jumper/polar fleece or school tracksuit jacket • White socks or navy stockings • Black shoes

** Optional – school tie, can be purchased from the uniform shop.*

School blazers are available for formal functions for a refundable \$25 deposit. Students are encouraged to wear the formal uniform (button through collared shirt, with tie and trousers or skirt) when representing the school at various functions.

Sport & PE Uniform

- Navy shorts or tracksuit pants
- Blue polo shirt
- White socks
- Joggers (note: leather shoes are to be worn in practical classes on sports days)
- School tracksuits may be worn on sports day

Sports uniform is worn on sporting excursions

YEAR 10 OPTIONAL WORK EXPERIENCE

An increasing number of Year 10 students took up the opportunity to complete a second round of work experience which ran from December 2-6. This was an optional learning activity offered by the school, in the weeks following the final Year 10 exam period.

In an increase on the previous two years, almost twenty percent of students took up the opportunity with the host workplaces from Murrurundi to Muswellbrook. The school would like to thank the employers who hosted Year 10 students on work experience both in the compulsory June week and this optional December week.

UPPER HUNTER CUP

It is the title and trophy they all want to win...The Upper, Upper, Upper Hunter Cup. Whilst perhaps a small area geographically, it is undoubtedly one with a high concentration of ever improving sporting talent.

In an NBA styled best of 7 playoff series, an impressive Year 7 and 8 squad were only narrowly defeated by Year 9, four games to two..

The 15 and under squad then combined and as a Year 7,8 and 9 team, remarkably squared a series at two games all against the much bigger Year 12 side, before the Year 12s called a halt to proceedings to concentrate on their formal and exams.

Lunch time and recess sport has been thriving even more this term with a touch football competition taking off, thanks Mr Austin. The active future looks bright.

EXCEPTIONAL HSC ARTWORK

Year 12 student Max Thackeray's HSC artwork is currently on display in the library and looking great! Titled "A Shared Fate" it uses stencilled spray paint to depict the uniformed soldiers of six different nationalities involved in WW1.

Well done, Max!

JUNIOR GIRLS WATER POLO

The junior girl's water polo team played in a gala day at Lambton pool for the rights to compete in the state finals later this term. They were keen and contested each game well, although the whole team defended very well the experience of Merewether and Hunter Valley school of Performing arts were too Strong. Indy Welsh scored against the hosts Lambton knocking them out of contention for the final.

All players represented SHS extremely well. Captained by Indi Welsh the team included Rylie Fletcher, Gracie Bates, Riley Brooks, Tahlee Stein, Charlotte Thompson, Kaitlyn Woodward.

UPPER HUNTER YOUTH COUNCIL

The Upper Hunter Youth Council had its final meeting for the year today with representatives from all local schools in Scone, Aberdeen, Merriwa and surrounding areas.

Well done to SHS representatives Indi Welsh, Dylan Denley and Mikayla Farley for their great work!

At the meeting, students discussed their successes from 2019, such as the Community Colour Run, as well as environmental projects they have planned for 2020. Thank you to council's Youth Projects Officer Vanessa Whitten and ex-Principal of SHS Lindy Hunt for your ongoing support of the Youth Council.

UNDER 15'S NETBALL

On Wednesday 4th December the Scone High School under 15's netball team competed in round 2 of the CHS competition at Newcastle netball courts. The team started confidently in the first quarter matching it with an experienced Newcastle High team. Unfortunately the Newcastle team started to take a hold on the game in the second quarter.

The SHS players fought hard but were eventually defeated by Newcastle 32-15. The girls also played a second game against Kurri Kurri High School and even out of position managed to be victors in this game 20-15. I am so proud of the effort they applied across all their games and the high level of sportsmanship shown by all players.

Our captain Caitlin Coady was impressive in the shooting circle, sinking many long range shots. She was well supported in the shooting by Carolyn Day and Lily Adams who displayed great agility.

The centre court led by Sarah Shankley used their speed and strong changes of direction to confuse their opposition. Brenna Crompton was also imposing in defence and snatched many crucial intercepts. Legacy Lewis made sure that the shooters had no room to move while Emily Taylor took intercepts all over the court. Annabella Fisher-Stephens was also notable in defence ensuring that her opposition had no easy plays at the ball.

Although injured for the first game Lexie Meir showed grit and perseverance to take to the court and help her team win the second game.

Thank you to Emily Watts who umpired for the day and to Penny Crompton who transported players and scored for the day. Special mention to Danielle Shankley and the Lewis family for their great support and encouragement.
