

SCONE HIGH SCHOOL NEWSLETTER 3

25TH JUNE 2021

PRINCIPAL'S REPORT

Here we are at the end of Term 2. It seems like I blinked once and missed the term. Time does fly when you are having fun and you are in the moment. This is often described as “flow”. I see people in flow all of the time.

Teachers losing track of time when marking student work, writing student reports, designing learning experiences. They are so much in flow that during our carpark rebuild, several have been locked in school due to working so hard. Administration & Support staff when assisting students and parents to ensure smooth running of many areas within the school.

Students are in flow in their classrooms when they know what they are doing in their learning and when they are engaged in the content of their lessons, due to quality teaching designed by their teachers. The end result of many examples of flow comes in our formal school reports to parent, which have been issued this week to most year groups.

It is time for you as parents to be asking some questions about your children. What Went Well in this subject? What do you think you learnt about yourself in doing that task? What can we all do to help you improve yourself?

Your assistance in raising the attendance at school of your children might seem far too simple a task, however, my goal is to have all students attending school over 90% of the time. That means less than one day per fortnight away from school. There is a direct link between success at school and attendance. Those students who are here more often are far more successful and take these skills and commitment into their future careers.

High expectations start at home and are supported and taught by us here at school. Please have these high expectation conversations at home over the Term break so that your children, our students, know what they are doing and either know how to do it or know who can help them.

Please stay safe, stay healthy and my wish is that all students have a restful break from us, ready for Term 3.

*Brian Drewe
Principal*

Report have now been issued to all students. You can also view these electronically on Millennium.

“Helping young people create their futures”

DEPUTY PRINCIPAL'S REPORT

POLICE LIAISON VISIT

During the last two weeks we have had Senior Constable Sheree Gray visit our school to discuss important issues with our students. Some of the topics included vaping, drugs and alcohol, harassment and assault. It was excellent for the students to gain a clear understanding of the laws and how they could be affected directly or indirectly. Our students took the opportunity to ask questions and gain clarification as required. The sessions were very well attended and I am proud to say that our students lived up to their reputation as one of the best student audiences in the state.

ATTENDANCE

We are at the end of our first semester and our students are looking forward to a well deserved break. I would like to encourage all of our students to enjoy their holiday and commit themselves to attempting to attend every day next term. Every day at school leads to greater academic achievement. Every day missed makes it harder for our students to consolidate their learning. Our aim is for all students to have an attendance rate above 90%. We look forward to working with our students and families to make this happen.

*Adam Johnston
Deputy Principal*

EXCURSIONS & NEWS

BELLTREES PUBLIC SCHOOL VARIETY BASH

What a community. We always love getting involved with Belltrees Public School. We hope the cakes, slices, biscuits and muffins made by our students kept the hunger away.

Written by Brian Drewe

RECONCILIATION WEEK

In the spirit of Reconciliation week, we take the following action. On behalf of the Upper Hunter Youth Council, who represent youth of the Upper Hunter and wider community, we would like to commemorate the significance of this day, June 3rd, Mabo Day. We honour the courageous efforts Eddie Koiki Mabo, a Torres Strait Islander man from Mer Island, who fought long and hard to overturn the fictional naming of this land as Terra Nullius ('land belonging to no-one').

On this day in 1992, the High Court of Australia recognised that before Europeans occupied, 'Native Title' did exist, and that Aboriginal and Torres Strait Islander Peoples were the original custodians of the land. That the Europeans did not 'discover' Australia, and Aboriginal people were not 'trespassing on Crown land' by living on their own land.

The Upper Hunter Youth Council recognise Aboriginal and Torres Strait Islander Peoples as the Traditional Custodians and the true protectors of the land beneath our feet, and pay our respects to the Elders past, present, and emerging, whose stewardship of this country has never ceased.

RECONCILIATION CEREMONY

When we reconcile we acknowledge the past and encourage everyone to work towards a better, stronger & "deadlier" future.

With future leaders like ours, we are in great hands.

WHITE CARD WH&S

White Card WH&S graduates from today's 6-hour course. The Year 10s should now all be ready for work experience next week.

Written by Tony Borg

HORSE SPORTS - QUIRINDI

On Friday 21st May five Scone High students represented our school at Quirindi Horse sports. They participated in Hack and riding classes in the morning, then completed 5 sporting activities in the afternoon.

Our students showed great sportsmanship and had a lot of fun. Harrison Baxter, in year 8, won a beautiful rug for being the overall highest point score in the secondary students on the day. Well done!

Written by Joanne Cutler

HUNTER SECONDARY CROSS COUNTRY CHAMPIONSHIPS

The Hunter Secondary Cross Country Championships for 2021 were held for the first time this year at Tocal College on Friday 28th May.

Scone High School was represented by Bayley Ralston, Zara Sampson, Eloise Fisher, Savannah Marshall and Tasman Collins on the day.

Although, none of our students will be heading off to the NSWCHS Cross Country Championships this year, all gave it their best effort on the day. Eloise Fisher was our top placed finisher in the 14yrs girls age group, just missing out on the top 20. Well done to all our students!

Written by Melanie Smith

ART WEEK

Art Week celebrates Scone High School's visual art students from Stage 4 (Year 7 & 8) and Stage 5 (Year 9 & 10). The exhibition includes work completed during Semester 1 of 2021 and shows a range of artmaking conventions including drawing, painting and sculpture.

Year 7 explored the elements of art, the proportions of the face and the use of mixed media to complete a portrait. Students across all three classes demonstrated both courage and perseverance during their lessons with great results.

Year 8 constructed Food Sculptures that were influenced by the Pop Art movement of the 1960s and artists such as Claes Oldenburg. The results are large scale and colourful sculptures made from only cardboard, newspaper, plaster bandages and acrylic paint.

Year 9 explored Abstract Art to create an abstract landscape painting with fantastic results. Through the use of shape, colour and the elements of art, the paintings demonstrate a very keen and developing appreciation for one of the greatest art movements of the 20th century.

Year 10 created organic clay sculptures that were influenced by the irregular and imperfect shapes found in nature. Students were influenced by the work of artists such as Barbara Hepworth, Henry Moore and Anish Kapoor.

Visual Art at Scone High School allows students to further develop their critical understanding of artists and different points of view. As our exhibition shows, our student's continue to evolve their art making practice using a variety of materials and techniques.

Results of the People's Choice Award are:

1st Place – Dean Dingwall

2nd Place – Emily Lewis-Carter

3rd Place – Douglas Williams

WHERE THERE'S A WILL

While it might've been cold outside today, there was nothing but warmth and good vibes between Year 10 & Year 11 students from our five high schools today. They gathered at St Joseph's Aberdeen for the Upper Hunter Leadership Summit which was designed and delivered by the 20 students WTAW sent to the National Student Leadership Summit in Adelaide earlier this year. Working to a theme of 'Lean in, Learn, Lead' the aim of the day was to develop leadership skills amongst all those attending so they can return to their schools motivated and capable of creating and implementing initiatives that enhance mental health and wellbeing for their peers.

They didn't shy away from the big issues that they face as teenagers and valuable connections were made. It was powerful. It was inspiring. And the future is in good hands! Here's just some of what the kids themselves had to say about it:

"It's so good to have it run by students because they can connect on our level – they understand what we feel.

"The interaction with people from other schools and from other grades was great. Finding new people and new friends gives you a sense of achievement."

"We discussed our leadership qualities, we connected with people who shared our same character strengths and we discussed some really heavy stuff."

"I've got more of an open mind now and I see the power of communication. It opens you up to other people's lives and their experiences. It's not just yourself you're worried about, it's also other people."

"We're from a very small school and we don't always have the strength and confidence to stand up so I'm hoping that we'll grow as people."

Standby for more updates on all the wonderful things these kids will make happen in our schools!! Our thanks to our Student Leadership group who did such a brilliant job making it all happen and to Lindy Hunt who is the driving force behind this important work.

TERM 2 YEAR 6 ORIENTATION DAY

Our second Year 6 Orientation Day was held on Wednesday the 9th of June. What a day! The weather was bitterly cold with almost gale force winds at both breaks and a refreshing drop of sleet at the end of the second break! This did not deter our Year 6 students. They came with smiling faces, and engaged in the rotations (and basketball) with enthusiasm and gusto.

Many solved the Murder Mystery and although some students just couldn't believe that Mrs Young was a murderer, others called for her to put her hands behind her back as they read her, her rights while making a citizen's arrest! Great work Mr Richardson!

The Entertainment rotation provided the students with a chance to strut their stuff in a fashion parade that provided many laughs and detailed explanations of the activity.

Mr Constant's bag tags were a hit and showed just how quickly Year 6 could develop new skills. The Geography competition gave the students bragging rights as they used their skills and knowledge to win sweet rewards, and the Art room was a calm space where students could let their inner artist show as they worked on cartoon characters.

Did I mention the nachos that were available from the canteen? A special day indeed!

Congratulations to all Year 6 students on your positive attitude and exemplary behaviour on the day and a huge Thank You to the Year 9 students who stepped up to be our helpers on the day! We look forward to our next Orientation Day on Wednesday 1st September.

Written by Marianne Young

YEAR 10 WORK EXPERIENCE

The work experience week for all Year 10 students ran June 7-11 with very positive reports from students and employers, including several potential offers of traineeships, future casual or holiday work.

A number of students were also encouraged to return to their host work place for the next work experience in November, after the Year 10 exams.

Given the snow in our region later that week, our students got to see what it is like for so many of our work force to get up early in cold and varied conditions to go to work from Muswellbrook to Murrurundi, in real estate, beauty, early education, dog training, mechanical, animal care, electrical and other industries.

A big thank you to all the host employers and congratulations students.

Written by Tony Borg

WELLBEING WEEK

In Week 6 this term we celebrated Wellbeing Week. As part of this we embraced “karaoke week”, thanks to Mr Westbury and his Entertainment students. Every lunchtime for the entire week, they were set up in the library to allow students the opportunity to have some fun and belt out a tune!

This was thoroughly enjoyed by all, so a huge shout out to all involved in making this happen. If you graced us with a serenading song - thanks to you also!

Reconciliation Week

Reconciliation week took place in Week 6 and Scone High School was very proud to have a strong presence at the ceremony held outside the council chambers on Thursday 27th May.

Speeches were presented by Ryelie Fletcher and Tahlia Venz as they discussed their pride and honour as young Indigenous women, and what reconciliation means for them now and into the future. We were also accompanied by our Young Mob leaders and Mr Drewe. Congratulations to all involved!

Attendance

Continuing on from my last newsletter article regarding attendance, I would like to congratulate the following students on achieving 100% attendance from Week 5 – Week 9 of this term:

Alison Badenhorst, Waylon Britt, Will Foley, Will Hedjuk, Connor Logan, Riley Perez, Ava Roughan, Zara Sampson, Archie Seckold, Emily Smallmon, Charlie Smith, Raya Talty, Felicity Azarcon, Eva Baker, Abbey Bell, Kurtis Bridge, Billy Chamberlain, Korbz Fitzgerald, Hannah Gillett, Hass Porter, Brooke Sampson, Lily Adams, Chace Bridge, Franco Legg, Blake Liverton, Hunter McLoughlin, Hayley Mohr, Campbell Munn, Jackson Smith, Joshua Smith, Natasha Vickers, Xena-Delta Whitby, Mitchell Downton, Kayla Holt, Marshall Hutchison, Abbey Parkinson, Gabriel Sharp, Luca Turri, Zane Welsh, Ebony Bettens, John Butt, Madisen Cooper, Dylan Denley, Rhiarne Edmonds, Kynan Elliott, Cynthia Gibbs, Tahlee Stein, Charlotte Thompson, Darcy Adams, Hallie Day, Madison Edmonds, Kelsey Gunning, Seannah Hall, Matylda Hayne, Joshua Jackson, Sarah Riley, Akaash Sjukla, Courtney Vickers.

Good attendance is so very important to ensure continuity of learning for our students. Congratulations!

Honours System

Scone High School is very pleased to reveal that we are working on implementing a new positive rewards system entitled the Honours System.

Students will accrue points earned through positive behaviours, access levels and achieve rewards.

This has been a collaborative effort and I would like to acknowledge the work and input of the SRC and Mr Johnston in this process. We are aiming for this to be launched in Week 1 of Term 3. Watch this space!

SCIENCE & ENGINEERING CHALLENGE

On Friday 11th June, a group of Year 9 Science students travelled to Muswellbrook to represent Scone High School at the Upper Hunter Science and Engineering Challenge. Our students worked in teams of 2 or 3 students to complete different STEM challenges. This year, some of the activities included building a prosthetic hand, creating and sending coded messages using laser beams, making a water turbine, and construction. Our students used their creativity and excellent communication skills to come up with unique solutions to these challenges. They demonstrated resilience in the face of some pretty frustrating challenges.

Overall we had a fantastic day and even managed to win the day! Congratulations to the students that took part. A massive thank you to Yancoal for sponsoring the day, to the Rotary Club for organising the day and providing the delicious sausage sizzle, and to the University of Newcastle for running the challenge.

ZONE ATHLETICS CARNIVAL

On Friday 21st May 2021, a team of 25 students from Scone High School competed at the Upper Hunter Zone Athletics Carnival in Singleton. Although the day was cut a little short due to rain, all students who had the opportunity to complete their track and field events, gave their best effort and were excellent school ambassadors.

Though we are yet to receive confirmation of students who have qualified for the Regional Athletics Carnival (to be held at the Hunter Sports Centre Glendale during Week 2 of Term 3), we are hopeful that some of our student athletes will have the opportunity to represent the Upper Hunter Zone at this event. Thank you to parents, guardians and Mr Constant for their assistance with our zone team on the day.

Written by Melanie Smith

UNDER 15'S RUGBY LEAGUE KNOCKOUT

On Thursday the 27th of May, Scone High School's Under 15's Rugby League team travelled to Raymond Terrace to compete in the Under 15's Hunter Premiership. The competition took place across two qualifying days, with our students taking part in the second qualifying day, the winner of which would play in the Grand Final against St Joseph's Lochinvar. With some strong teams participating, the boys were all eager to roll up their sleeves and give it their best.

The boys got off to a roaring start with a big win over St Mary's Gateshead. Campbell Munn led the charge forward and bagged a couple of tries, while Zane Groves proved hard to handle out wide. Full of confidence after a big win, it was more of the same as Scone High made quick work of St Catherine's Singleton and St Philip's Christian College Cessnock. Jackson Smith marshalled his troops well while Koby Stewart, Hayden Young, Aidan Horton and Josh Smith laid a strong platform in the middle.

As the day wore on, it became obvious it was a two horse race. A lone try off a lucky kick return was all that separated Scone High from an otherwise identical point differential to that of arch rivals St Joseph's Aberdeen. Finally the two teams came face to face in the Semi-Final, the winner of which would progress to the Grand Final against St Joseph's Lochinvar. The boys were worn and weary, despite the toll the games had taken throughout the day, they valiantly gave their all against a very strong side. A loose first half saw them behind at the break before rallying to put together a much more convincing second half. Despite the loss, the boys had shown a lot of heart and huddled together with the St Joseph's boys for a celebratory photo.

Thank you to all the parents who gave up their own time to help with transport and for their support on the day. A big congratulations to all the boys for their achievements on the day.

COMMUNITY NEWS

Come and join us for the adventure of a lifetime, just like Breex did!

"I cannot speak highly enough of Finding Yellow and the wonderful holiday they organised for my daughter, Breex. From the get-go Tracey Gardiner and team were meticulous and highly professional in providing and meeting Breex's needs with a beautiful holiday at The Entrance. The 1:1 support given by Mel was of the highest standard. Mel's compassion, fun-loving and beautiful nature paved the way for Breex to enjoy many varied and different activities - all positive experiences aimed at increasing Breex's confidence and independence. A wonderful friendship was formed and many lovely memories made. Breex can't wait for her next holiday with Finding Yellow. We are so fortunate to have such a wonderful service. Keep up the fabulous work!"

ARE YOU INTERESTED IN BECOMING A VOLUNTEER SUPPORT PERSON FOR YOUNG PEOPLE IN POLICE CUSTODY?

COME ALONG TO OUR FREE TRAINING!

Legal Aid NSW and Kurri Kurri Community Services will be offering FREE training for community members who would like to be support people for young people who are in police custody.

The role of the support person is an important one. Young people are considered to be more vulnerable than other community members when arrested. They must have a support person present if police want to interview them about something the police think a young person has done wrong.

WHEN WILL THE TRAINING BE HELD?

People who want to go on to volunteer after completing the training will be required to obtain a Working with Children Check & a National Police Check. These checks will be free of charge.

For more information, contact Will Doran **M:** 0438 636 009 **E:** ydo@thecentreatkurrikuri.com.au
