

SCONE HIGH SCHOOL

NEWSLETTER 1

24TH MARCH 2022

PRINCIPAL'S REPORT

I would like to start by thanking every member of our school community for bearing with us throughout the past 2 years and into the future, as we continue to work our way through the many and varied requirements being put in place to keep us as safe as possible for as long as possible.

All the students have been exceptional throughout this period and are enjoying being with their friends and continuing their learning in a school that cares.

Attendance is always an area of discussion and, while our general attendances are down in 2022 due to illness, we need to continually work towards the highest attendances possible. We have set a goal of having students attending school at least 95% of the time. This means that in any year, a student should aim to have a maximum of 10 days absent.

We all need to remember that whenever a student is absent, the learning continues, and their relationships continue to develop. Both changes can create gaps in learning and distance between people, that are very difficult to recover. Please try to organise appointments outside of school hours, where possible, and always let us know what is happening, as there are many options available to us to support your child to ensure the least impact on their learning.

The Actwell - An ex-student, Minas Theodore Coroneo AO, who was a student at Scone High School in the 1960s, has sent me a copy of the original school magazine, "The Actwell" from 1922. At the original time of printing, her father was in Year 4.

There is some very interesting reading, both in the style of the language and the many family links. Have fun reading. <https://scone-h.schools.nsw.gov.au/news/2022/3/100-years-since-the-first-edition-of-the-actwell.html>

Vaping Toolkit for parents

While vaping is not an issue for everyone, it pays for us all to be kept up to date with the latest trends with teenagers in Australia. Vaping is treated at school in just the same manner as any inappropriate substance that is brought into school. Students and parents will be warned when there is a first instance, and then following consequences will be discussed.

Please follow this link to learn more about the dangers of vaping.

PREMIER'S ANZAC MEMORIAL SCHOLARSHIP

Applications for the 2022 Premier's Anzac Memorial Scholarship are now open!

The scholarship gives NSW high school history students the opportunity to travel on a study tour to develop their knowledge and understanding of the history of Australians at war. Accompanied by a military historian, the tour includes visits to significant historical sites to learn about and commemorate the service of Australian men and women.

The tour supports the NSW curriculum and students who are studying Modern History will gain the most benefit from attending the tour.

If you're a Year 10 or Year 11 student studying history, this scholarship is a unique opportunity for hands-on learning of the history of Australians at war.

For further info and to apply, visit <http://bit.ly/pams2022>

YEAR 7 BEST START

A great start for the 2022 Year 7 cohort at Scone High School!

Our new year 7 students have well and truly gotten off to a positive and productive start to their high school journeys. Transition into high school is always beset with challenges and hurdles to overcome, as students make the change to being the oldest pupils in a school to the youngest.

Instead of shying away from such a confronting transition, year 7 has well and truly accepted the challenge, displaying a growth mindset along the way.

I have received reports of, and also witnessed, a curiosity and a love of learning across the year 7 year group through classroom activities, sport and during break times. In addition, year 7 has displayed self-respect and represented the school well by proudly wearing the correct school uniform and have displayed helpfulness and respect towards school staff.

Let's continue to grow together year 7! And I cannot wait for the school camp at the end of term!

LIBRARY LOVER'S DAY

Scone High School Library is celebrating Library Lover's Day. The students who borrow a book this week will receive a chocolate heart and go into the lucky draw to win a very cute and yummy prize.

Talia of year 9 is the very surprised and excited winner of the Library Lover's Day draw.

SHS library celebrates Library Lover's Day to promote and encourage reading as well as creating a welcoming and friendly environment. We had lots of borrowing during the week from all year groups.

Congratulations Talia.

UNIVERSITY SHOWCASE

We were fortunate to be able to host the University Showcase at Scone High School for all Year 12 students on Friday 25 February.

Four universities attended the modified format in which student ambassadors spoke of their experience at the universities of Newcastle, New England, Charles Sturt and Southern Cross.

Our students asked questions in the workshop on topics including admission, deferment, costs, living on campus, scholarships and regional entry programs.

ZONE SWIMMING CARNIVAL

On Thursday 24th February 2022, a team of 7 students from Scone High School competed at the Upper Hunter Zone Swimming Carnival in Merriwa. Although our team was small, all students who had the opportunity to compete gave their best effort, achieved some great personal results and were excellent school ambassadors. Though we are yet to receive confirmation of students who have qualified for the Regional Swimming Carnival, we are hopeful that some of our students will have the opportunity to represent the Upper Hunter Zone at this event.

A special mention must go to Will Hejduk for placing 1st in the 12-14yrs Boys 200m Individual Medley, with a time of 2:50.15. This effort set a new Upper Hunter Zone record in the event. Congratulations Will!

THE MARCH CHARGE

Sail W will be participating in 'The March Charge' throughout march and have set themselves a target of walking 50km to raise awareness for those suffering with Cancer.

Each Monday we will be attending the community walk at the Bill Rose Sports Complex with the Heart Foundation walking group to help us achieve this goal.

If anyone would like to support the Sail W students, please donate (to the link below) by <https://www.themarchcharge.com.au/fundraisers/sconehighschoolsail>

Sail W students and staff thank you in advance for any support you can offer the students.

WORLDS GREATEST SHAVE

The students of Year 12 at Scone High School are raising money for the Worlds Greatest Shave fundraiser. Year 12 students will be cutting, colouring or shaving their hair on the 5th of April 2022 to support this cause.

Any donation would be greatly appreciated to help us reach our goal of \$3000 which will go towards supporting Australian Families battling Blood Cancer. Scone High Students will participate in a crazy hair day + out of uniform day on Tuesday April 5th, bringing a gold coin donation to support this cause.

HUNTER SSSA SWIMMING CARNIVAL

Eloise, Will and Zoe represented Scone High School at the Hunter SSSA Swimming Carnival on Tuesday 15th March.

All gave it their best on the day.

Special mention goes to Will, who is off to the NSW CHS Swimming Carnival in Sydney later this term for multiple events.

We wish him all the best.

School Student Travel Term 1 2022

School student travel information for parents and students

School Travel Passes

Students who need a School Opal card or travel pass but have not yet applied need to [apply](#) or [update](#) their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

New Student Opal cards (including new Term Bus Passes) will be sent to the student's nominated postal address within two weeks of their application being approved.

Students living in rural and regional (R&R) areas will receive their travel pass from their nominated transport operator. It may be issued via their school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Terms of Use

Students using Opal cards must tap on and tap off in line with the [Opal terms of use](#).

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.
